

## LineGeivity Striping Systems

## System Description

LineGeivity 1382 is a propriety 100% solids, internally reinforced, self leveling, AHC Polymer designed specifically for the application of demarcations and safety lines on warehouse and factory floors. LineGeivity 1382 exhibits excellent resistance to organic solvents, caustic environments, and dilute acidic exposures while also displaying outstanding mechanical properties, such as adhesion and abrasion resistance. LineGeivity Line Coatings are designed for concrete or metal flake floors and is self priming on steel.

## Application Summary

LineGeivity 1382's components are 2K products that are mixed on site and typically applied with a notched trowel, squeegee, roller or airless spray to create a smooth, glossy floor.

## Common Applications

Warehouse, hangars, maintenance shop, packaging area, process rooms, machine shop, loading docks, test areas, manufacturing areas, light industrial, walkways

# LineGevity Striping Systems

SYSTEMS

## System Options

**Primer:** BondTite 1101 (also available in Extended pot life formulation, BondTite 1101-EP)

**Base Coat:** Available as either Full-Ceramic (LiquaTile 1143), and Semi-Ceramic (LiquaTile 1184)

\*For chemical resistant coatings, please refer to our **Chemical Resistant Flooring Systems** brochure

LiquaTile 1143 and LiquaTile 1184 are both available in two different formulations:

\*UVR (Increased UV Resistance) \*CHR (Increased Chemical Resistance)

**Optional Urethane Sealer Coat:** EnduraShield 2254 (Scratch & UV Resistant)

\*Recommended if base coat is Semi-Ceramic

## Texture

Optional with aggregate: SpheriTex 0110 (Slip Resistance), WearResist 0105 (Wear Resistance)

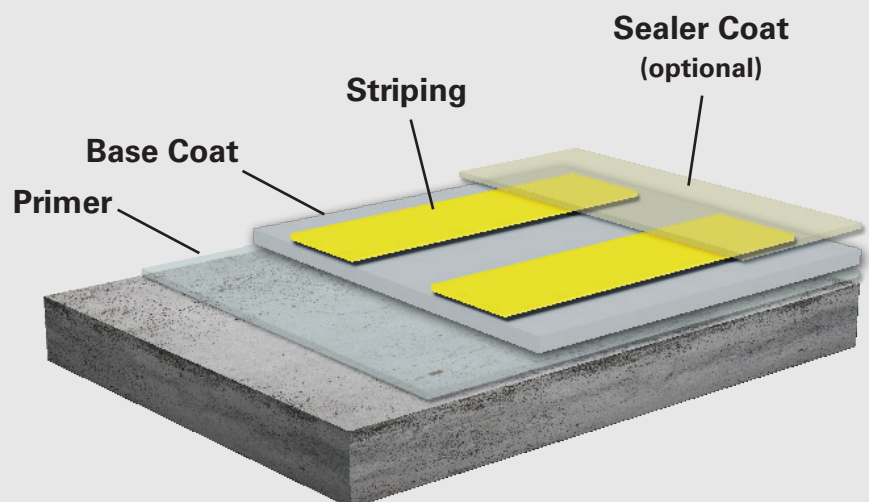

## Components

**Primer:** BondTite 1101, **Base Coat:** LiquaTile 1184 or LiquaTile 1143,

**Striping:** LineGevity 1382, **Optional Urethane Sealer Coat:** EnduraShield 2254

## COLORS

The epoxy primer and base coat combination give durable protection for smooth, new concrete. The base coat is available in an assortment of standard colors... **See Back Page**

**Safety White** WH2A

**Safety Blue** BU5A

**Safety Red** RD2A

**Safety Yellow** YL2A

**Safety Green** GR1A

**Safety Orange** OR1A

Color charts have been optimized to show colors as accurately as possible. Due to screen and printing limitations, you should consult your local Wolverine Coatings Corporation representative when color is critical or if custom colors or matching is desired.

“Big company” capabilities with “small company” personalized service.
